

# Psychiatry Summer School

25-28<sup>th</sup> July 2022

An exciting 4-day program to give Year 12 students an insight into Psychiatry as a medical field.

If you are interested in applying UCAS for 2023, join us to gain understanding from junior doctors, experienced consultants and past patients with lived experience.

The week will include:

- Introduction to Psychiatry
- Common Mental Health Problems
- Ward/Clinic based training
- Tips for UCAS Medical School application
- Mock interviews

**Applications are open**

and close 30<sup>th</sup> May 2022

**Spaces are limited**

Applicants will receive conformation/ feedback by the second week of June

Please Apply through this link
